CAREER OBJECTIVE

To Secure a responsible career opportunity to fully utilize my experience & skills, while making a significant contribution to the success of the company. I am always able to handle multiple tasks on a daily basis. I always energetic to learn new skills.

PROFESSIONAL EXPERIENCE

- **Control & Automation System (Pune) – Programmer**
  (March 2024 – Present)

    - Designed automated systems for manufacturing processes that increased production output.
    - Improved equipment performance by optimizing existing PLC programs, which reduced downtime.
    - Technical solution for all software related queries, which includes installation, configuration, troubleshooting of software applications, operating system and any other software tools.

- **ZonSoft Technlogy (Nashik) Internship – React Developer**
  (Sep 2022 – March 2023)

    - Developing new user-facing features using React.js
    - Building reusable components and front-end libraries for future use
    - Implementing app modifications
    - Creating regular updates
    - Finding and fixing bugs

- **Hummingbyte Technologies PVT.LTD(Nashik) Internship – Angular Developer**
  (Dec 2021 – June 2022)

    - Delivering a complete front end application
    - Building dynamic and adaptable web applications
    - Design and optimise existing sites and applications.
    - Test and debug Angular applications.

PROFESSIONAL SUMMARY

- Software Engineer experience on Development, Design of the software for various Enterprise Applications.

- Working experience in **Agile Methodology**.

- Experience in developing websites and web applications.

- Experience in front-end coding and deployment in a **Javascrip**t environment.

- Experience in developing responsive **UI/UX interfaces**.

- Proficient in **Java** and have sound knowledge on **OOP (Object Oriented Programming**) concept.

- Excellent analytical, problem solving, communication and interpersonal skills along with a good attitude for learning.

- Aptness to meet **Sprint deadlines** and **task prioritization**.

TECHNICAL SKILLS

Technologies	:	Java, C++, C
Web Development Technologies	:	React JS, Angular, Javacript, HTML5, CSS3
IDE	:	Eclips
Version Control Tools	:	Git with GitHub, Postman
OS	:	Window 7 & 10
Build Automation	:	Maven
Databases	:	MySQL, MongoDB, PostgreSQL

PERSONAL/ ACADEMIC PROJECTS

Details of some of the key projects are mentioned below.

#1 Shetkari Seed Application (Web+Mobile Application)	
Shetkari Seed Application is system to provide the seeds to the farmers by there own side(Home). The main objective of this application is to make it iteractive and its ease to use. It contains a sophisticated search engine for users to search for products specific to their needs. The user can then view the complete specification of each product. They can also view the product reviews and also write their own reviews. The main emphasis lies in providing a user-friendly search engine for effectively showing the desired results.	
Period	01/2023 – 06/2023
Technology Stack	- React JS - Node JS - MongoDB - Git with GitHub
Responsiblities	- Develop, test and implement software programs. - Test, maintain and recommend software improvements to ensure strong functionality and optimization. - Independently install, customize and integrate commercial software packages. - Facilitate root cause analysis of system issues. - Identify ideas to improve system performance and impact availability. - Resolve complex technical design issues. - Development of technical specifications and plans.

#2 Interior Design

This project was creating database, billing ,customer details, expenses ,bikes inventory, etc.	
Period	02/2022 – 12/2022
Technology Stack	• Angular • Node JS • Git with GitHub
Responsiblities	• Independently install, customize and integrate commercial software packages

#3 Plant Nursery (Web+Mobile Application)

This project was show the plant record, customer details, booking details, plant sales details, expenses, report, etc. The portal helps to purchase the plants.	
Period	01/2019 – 07/2019
Technology Stack	• Selenium WebDriver with Core Java • Maven • Extend Report • Git with GitHub • Eclips
Responsiblities	• Participated in Sprint planning, Sprint execution and Retrospect meeting. • Maintain and Execute the automation suite and reported on the daily assigned tasks. • Generate & Analyze reports. • Identify test cases to automate, added test case to existing architecture, maintenance of test suites and created new reusable functions. • Implement multi browser testing to ensure cross browser compatibility using JUnit. • Actively participated in weekly meetings, triage calls and updated weekly report.

#4 Bike Showroom System (Web+Mobile Application)

This project was creating database, billing ,customer details, expenses ,bikes inventory, etc.	
Period	06/2018 – 12/2018
Technology Stack	• Dot Net • MySQL • Git with GitHub
Responsiblities	• Maintain and Execute the automation suite and reported on the daily • assigned tasks. • maintenance of test suites and create new reusable functions. • Weekly call with the team and understand the requirement, analyzing the scope of automation.

QUALIFICATION DETAILS

- **MCA (Masters of Computer Application)** from Gokhale Education Society R.H. Sapat College of Engineering, Management Studies and Research, Nashik with **CGPA – 8.59**

    (2021 – 2023)

- **BCA (Bachelor in Computer Application)** form K. K. Wagh Arts, Commerce, Science and Computer Science College, Nashik with **Percentage – 72.65**

    (2016 – 2019)

CERTIFICATIONS

- **Java Programmig** (07/2021 to 12/2021)
- **Data Science Master Program** (06/2019 to 12/2019)
- **Ethical Hacking** (01/2017 to 02/2017)
- **CCC (Course on Computer Concepts)**

PERSONAL INFORMATION

Date of Birth	29th July 1997
Gender	Male
Nationality	Indian
Language Known	Marathi, English, Hindi
Interests	Coding, Surfing Internet to learn new things & technologies, Cricket, Photography
Permanent Address	Plot No.55/56, Ganeshkrupa Appartment, Nagre Chowk, Ashoknagar, Satpur, Nashik-422012

DECLARATION

I hereby declare that the information furnished above is true to the best of my knowledge.

Place : Nashik
